Class 5B Activity Day

by Mrs Hala (Class 5B teacher)

Last Wednesday was Activity Day for Class 5B. Some visitors came to the school to teach the students some new skills.

The first activity in the morning was cooking with Mrs Zeinab. The first group made pizzas and the second group baked cakes. They put the pizzas and cakes in the oven, then they went to the playground with Mrs Nawal. Mrs Nawal works at the sports centre. First, the students practised throwing and catching balls. Then Mrs Nawal gave each student three small balls, and taught them how to juggle. 'Juggling is more difficult than baking a cake!' said Lubna. The students tried hard and enjoyed learning.

In the afternoon, the first group worked with Mrs Randa. Mrs Randa is an artist, and she's very good at making sculptures. She helped the students to make beautiful sculptures of animals. The second group worked with Mrs Samia, who is a scientist. They did some fun science experiments. At two o'clock, everyone tidied up, then they went home with their pizzas and cakes.

Activity Day was great. All the students were very hard-working and cheerful, they were polite to our visitors, and they had lots of fun. Well done, Class 5B!
