The Right Diet for Your Job

What do you need to eat every day? Well, sometimes it depends on the job you have.

Lubna Aljabi, 26, gymnast

Lubna is a gymnast for her country's national team. She does tricks in the air so she needs to be very strong. It's important what and how much she eats, so she cooks her meals herself. For breakfast, Lubna usually eats some eggs and drinks some milk. She doesn't drink any coffee. She loves Japanese and Jordanian food, so lunch is sushi rice with tuna and spinach. And today's dinner is beef kefta with some tomatoes and lettuce. She doesn't usually eat any desserts, but she loves chocolate.

Nader Alwakil, 20, cycle courier

Nader works for a company called Citysprint and takes parcels around the city. His day usually starts with some coffee, a sandwich and then some cake before his first job. Nader always carries energy biscuits and some fruit with him. Does he carry any crisps or coffee? No, he doesn't - just some juice. He doesn't stop for lunch because it slows him down! By dinner time he's really hungry, so he eats some pasta or some meat with potatoes and other vegetables, and sometimes dessert.
