Sports and Hobbies Around the World

People do all kinds of different things in their free time! Read about some activities that people love doing around the world.

In Jordan, some people do watersports. In summer, it's fun to go snorkelling in Aqaba - you can see amazing fish of different colours under the water! But you have to be good at swimming. There are also beaches in Aqaba where you can go windsurfing. You can go very fast, but only when it is windy!

Calligraphy is the art of writing. People use special pens to write letters in a beautiful way. It's a popular hobby for many people in Arab countries, like Oman and Jordan. Adults and children enjoy doing calligraphy because it's fun and creative, and helps them connect with their culture!

Have you ever tried cross-country skiing? It is a very popular sport in Canada and other snowy countries. It's a very good way of travelling in the snow and helps you keep fit. Lots of families enjoy cross-country skiing together.
