Your stay in Ambleside

Hi Muneer,

Thanks for your nice email. We're really excited about your visit in December!

I'm 14 years old and I'm in Grade 9 at secondary school. My favourite subject is English and I'm also really into painting and drawing. I love travelling, so I'm hoping to study Art abroad after school. I'm also a big fan of poetry, so we definitely have something in common. Like you, I'm quite open and friendly and I get on well with everyone. At the moment, I'm really busy because I'm revising for my exams.

My mum's a doctor and my dad is a supermarket manager. We live in a flat near the centre of Ambleside. Ambleside isn't the most famous town in England but it's beside a beautiful lake. It's an amazing place for walking or mountain biking because it's near some awesome mountains. Bring your walking boots!

Two important things you should know. First, Ambleside can be cold and wet in winter. It can even snow! So pack a warm sweater. Also, I have a younger sister who is ten. She's sweet but a bit shy.

We're really looking forward to meeting you.

All the best,

Adel
